## Privacy

**Dineamics Yacht Club** (the “CLUB”) is committed to protecting your privacy. We will only collect your personal information for defined purposes. We do not distribute or share your personal information beyond what is strictly necessary to fulfill our obligations to you. We share your information only with business partners who adhere to our commitment to protect your privacy. The CLUB will never sell your personal information in any manner whatsoever. When you make a payment, place an order, or register for an event on our website, your full name, email address, mailing address, phone number, credit card number, and credit card expiration date may be required. This information is used to complete the transaction and help us provide services and better support to you.

## Security

The CLUB’s software includes security certificates that encrypt all customer personal information before it is sent, including name, address, credit card number, credit card expiration date, passwords, etc. Encryption works to prevent interception by bad actors and malicious use of your personal information. Your information is only used for online transactions that you initiate or have expressly permitted us to initiate on a recurring basis.

## About cookies

Many companies use "cookies". A cookie is a small text file that a web site writes to your hard drive. Cookies can work as your identification card and may record passwords, preferences and purchases. Cookies let the web page server know that you have returned to this site. Cookies are unique and can only be read by the server that assigns them. They cannot be executed as code or deliver viruses. At present, the CLUB does not use cookies for any of these purposes.

## globalpayments

Global Payments ( <https://www.globalpayments.com/about-us> ) is an advanced secure online payment service that has been in operation for more than 50 years. The CLUB uses Global Payments to provide you with very secure and fast online payments and purchases. While the CLUB handles and forwards your ACH/debit/credit account information to Global Payments when processing your transactions, none of that information is stored in our systems.
